

Location

The hypothesis is that a new paradigm of business motivation will set off a new wave of technology and creative companies to rent or to invest at the Technopark at competitive rates compared to Ramallah and the new cluster of companies will constitute the nucleus for more innovation and companies to join and take up space at the Technopark facilities.

"Technology and Creative Corridor" – Less than 15 Minutes Away from Ramallah

Road to Jaffa and Airport

Road to Nablus and Hebron

Birzeit

Ramallah

Taibe
