Application Information Incoming Students			
	Nomination & Application Deadlines		
Autumn	Deadline Nomination by home university: 1 May 2019		
Semester	Deadline Application to the VUB: 1 June 2019		
Spring	Deadline Nomination by home university 1 October 2019		
Semester	Deadline Application to the VUB 1 November 2019		
Application procedure	The home university nominates students for exchange at VUB. These nominations can be sent to exchange.incoming@vub.ac.be with an excel file we provide.		
	Next, the International Relations office invites the nominated students to apply online. Completing the online application process before the deadline confirms the student's participation in the exchange programme. VUB issues an invitation letter once the application process is completed. The selection of courses is the student's own responsibility.		
ECTS	Incoming students are required to take a minimum of 21 ECTS (VUB		
requirement	courses) per semester.		
Grading	< 10: F		
system	10: E		
	11 - 12: D		
	13 - 14: C		
	15 - 16: B		

17 - 20: A
VUB is part of Egracons. We strongly encourage our partners to join!

Transcript of Records (ToR)	Incoming students' ToR will be issued shortly after finishing exams. VUB students' ToR may be sent to Gwen Van der Smissen with postal address <i>Vrije Universiteit Brussel, Student Administration, Pleinlaan 2, 1050 Brussels, Belgium</i> .
Courses available in following disciplines:	Applied Biological Sciences, Applied Linguistics, Applied Sciences, Archaeology & Art History, Biomedical Sciences, Economics & Management, Engineering, History, Law & Criminology, Literature & Linguistics, Medicine, Pharmacy, Philosophy & Ethics, Politics & Social Sciences, Psychology and Educational Sciences, Sciences, Sports Science & Physiotherapy

Academic Calendar + Welcome Activities		
Academic	For a detailed description of activities and important moments during the	
Calendar	academic year: please visit <u>the calendar</u> .	
Orientation	All students are welcomed for the Autumn semester during Orientation	
Week	Week (the week before the semester starts). Have a look at the activities	
(Autumn)	under "A Week just for you": Orientation Week; updates will be added	
	for the coming year. We also organise an annual Kick-off event.	
Orientation Day	The annual Orientation Day for exchange students, is held the Friday	
(Spring)	before the start of the semester in February.	
	The International Relations office welcomes all new international	
	students during these sessions. All information regarding VUB, schedules	
	and procedures, as well as campus life and culture is presented. Students	
	are welcome to ask questions regarding their stay at VUB, get a campus	
	tour, as well as a city tour. Dates of Orientation Week are mentioned in	
	an email to students and will be available on the <u>International Relations</u>	
	office's website. More information on practical things and what to do prior	
	to arrival is available online.	

Other Relevant Information		
Housing	Incoming exchange students have a vast array of <u>housing opportunities</u> at their disposal. Furthermore, there are multiple possibilities for those	
	who are looking for temporary lodging.	
Buddy system	Incoming students can receive support from VUB-students through the buddy system.	
Insurances	The insurance provider <u>Partena</u> has visiting hours at the International Relations office once a week.	
Visa	Information on visa requirements is available online.	
Student job opportunities	Want a <u>student job</u> during studies?	
Sports facilities	With a recently opened swimming pool, a running field and much more, VUB has a great offer in sport facilities.	
Culture & Leisure	All cultural events and leisure activities are available on the student portal.	
Transportation	Brussels has a good public transportation network. Have a look on the overview of the metro and train network.	
	There are several buses and trams which stop near our largest campus: Brussels Humanities, Sciences & Engineering Campus. Our other campus are also easily accessible: Brussels Health Campus, Brussels Photonics Campus and Brussels Technology Campus. Etterbeek is the nearest train station for our largest campus and metro stops Pétillon, Hankar & Delta (all orange line 5) are within walking distance. All transportation details can be found here.
