PROGRAMME OVERVIEW

GRANDE ÉCOLE PROGRAMME

The Grande Ecole programme is one of Audencia's main programmes. It is a high quality 4-year programme with a selective admission process for French students.

Courses begin with a 1-year core curriculum on the fundamentals of management. At the end of this first year, students undertake an internship to put into practice all they have learnt in the first two semesters. The master's cycle begins with semester 3 and continues, after a gap year in the workplace, with the following semesters: one semester of specialisation in Nantes/one semester of study at a partner institution/one semester internship "Corporate Action"

Exchange students can choose courses in either one of the 2 Grande Ecole "Blocks" of courses below (see course catalogue for more details):

Grande Ecole General Management Courses

Designed for international students with at least 3 semesters of Business Studies

Grande Ecole Majors/Specialisation Courses (master 2 level)

International students with at least 4 semesters in Business Studies can choose 2 electives and one of the 10 majors taught in French or in English amongst the Master Programme in Management Studies.

4 fields of study: Marketing/Finance/Cultural Institutions/Consulting ([*please check the course catalogue as prerequisites may apply and some courses are incompatible*](#)).

► INSURANCE

Health insurance in France may be very different from the insurance you have at home, and requirements and procedures vary based on the length of your stay, your age, your home country, and whether or not you are a full-time student.

International students in France are required to participate in the French social security system.

Fee-paying degree-seeking students first need to apply to the **CVEC (Contribution Vie Etudiante et Campus)**, which costs about €90 and should then register on the national insurance at etudiant-etranger.ameli.fr (free of charge).

Non EU Exchange students only need to register at etudiant-etranger.ameli.fr.

Registration procedure may take a while after your arrival; therefore we strongly recommend students staying at Audencia Business School for only one semester to take out private health insurance for their entire stay.

For more detailed information, please see the Campus France website: www.campusfrance.org.

Exception: if you are a citizen of the EU/EEA or Switzerland, you can ask for a European health insurance card, before you come to France as proof of membership in a European health insurance scheme. You do not need to register online on etudiant-etranger.ameli.fr: when you arrive in France, you will submit this card to the health professionals and healthcare facilities you will go to.

In order to obtain a student visa, you will have to provide proof of purchase of travel insurance, liability insurance, and health insurance that will be valid for the entire duration of your stay in France. The French consulate will ask to see photocopies of the insurance policy as well as the accompanying documents that highlight the coverage.

► STUDENT CARD

In order to obtain the Student Card, students must be insured for the entire length of their stay in France. This student card cannot be delivered without the proof of the insurance coverage. Students must also provide an appropriate ID picture upon registration.

► VISA

All non-European students who will be in France studying for longer than 3 months must apply for a student visa. This must be done at your nearest French consulate or embassy no later than 3 months before your prospective arrival date.

For detailed information and guidelines for your country of origin, please visit the Campus France website, or visit the respective French embassy/consulate website for your country.

► ACCOMMODATION

No on-campus housing.

Students can choose from several housing options, including rooms in student residencies; homestays with local families; and private apartments, studios and flats.

Audencia has a housing platform that will give students information on what's available. Once nominated, students can access it easily at audencia.studapart.com/en/.

Students can also visit Audencia's housing blog, on which they will find a lot of useful information about housing: audenciahousing.blogspot.com.

Students should book their accommodation as soon as they are nominated (procedures can be long).

► FINANCIAL SUPPORT

In France, if you rent a private room or an apartment, you may be able to qualify for financial aid for housing. Please visit the *Caisse d'Allocation Familiales* (CAF) to find out about your eligibility for *Aide Personnalisée au Logement* (APL), the national housing allowance system. See the Campus France website for additional information regarding financial support for housing.

Please note that in order to obtain financial aid, when you arrive in France, you will need to provide the CAF with information such as:

- Passport
- Housing contract
- French student card
- Birth certificate (translated in French)
- Social security card or number
- Three passport photos
- Valid student visa with OFII stamp (if applicable)
