HOW TO APPLY FOR A SCHOLARSHIP

The External Academic Relations Office and Alumni and Career Services Office cordially invites you to attend the workshop

HOW TO APPLY FOR A SCHOLARSHIP

What do I need for a Scholarship Application?

Content: A scholarship is a good way to finance your studies abroad and opens the opportunity to gain international experience. The importance of a strong application can not be overstated. While of course the requirements differ from one scholarship organization to another the core documents are mostly the same.

**The workshop will be held in
Room KNH625 (Kamal Naser Auditorium)**

November 30, 2016

from 10:30 to 12:00

Expected Outcomes:

By the end of the workshop prospective applicants will be able to:

- define the different parts of a scholarship application
- learn strategies to avoid common mistakes made in applications and how to be aware of them
- understand the importance of a strong application

Note:

The workshop will be conducted entirely in English, sufficient language skills are required

Target Group:

Prospective applicants for Master and PhD scholarship programmes

The Trainer:

Christina Stahlbock is the Head of the DAAD Information Center in East Jerusalem with a branch office in Birzeit University. Working for DAAD in Cairo and Berlin she has gained considerable experience in scholarship programmes as well as designing further trainings for graduates and researchers.
