Ecole d'Economie de la Sorbonne (UFR02)

1st Year Master courses

Please note that classes with tutorials and the courses of the Master programs PSME and APE have limited capacity of 5 students per course. It is not possible to pre-register to these classes before the beginning of the exchange. A selection will be held in the beginning of the semester with priority for Master students. The definitive learning agreement will be signed upon arrival after the information meeting. **Please only choose classes of this list to compose your Learning Agreement, even if you see other classes in the schedules.** Please compose your final Learning Agreement with courses of this list. If you wish to choose language courses or sports, please get in contact with the respective departments directly. One language
