Invitation

We are pleased to invite you to the seminar organized by the
Computer Science department on the theme

Opportunities of the digital transformation in the financial industry in Palestine

Mr. Anwar Jabr

Tuesday 10th of May, 2022
at Hall 243- Institute of Law Annex Building
Starting time: 15:50 pm

Brief bio: Digital Transformation Acting Director at Palestine Monetary Authority (the central bank of Palestine) holding a bachelor degree in computer science and MBA from Birzeit university. 15+ years working and orchestrating critical financial software systems and databases. Prior to that, I had the chance to work in diverse industries such as telecom and education with emphasis on software development, data science, system integration, and system administration.
