All Subjects

All times for Egypt, Jordan, Lebanon and Palestinian Territories + 1 hour, all times for UAE + 3 hour

14:00 – 14:30

DAAD – Interactive Expert Talk on ‘How do I get along in Germany?’

After a brief overview of information sources on studying in Germany and scholarships, alumni will talk about their experience in Germany (e.g. finding accommodation, getting started at university, studying, finding friends, how much command of the German language you need). You are invited to ask questions.

14:30 – 15:00

Technische Universität Ilmenau

www.tu-ilmenau.de | ✉ auslandsamt@tu-ilmenau.de

Join Engineering, Economic and Media Sciences with first class research at TU Ilmenau! We are a technical university with departments that collaborate closely across the disciplines. We are offering highest quality teaching and looking forward to welcome you as a student!

Fields of Study:

Engineering Sciences, Mathematics and Natural Sciences, Computer Sciences, Economics, Media Sciences

15:00 – 15:30

Technical University of Munich

www.tum.de | ✉ mumbai@tum.de

The Technical University of Munich (TUM) is one of Europe’s top universities. It is committed to excellence in research and teaching, interdisciplinary education, the active promotion of promising young scientists and forges strong links with companies and scientific institutions across the world.

Fields of Study:

Engineering, Natural Sciences, Computer Sciences, Life and Food Sciences, Architecture

15:30 – 16:00

Hochschule für Technik und Wirtschaft Dresden (HTW) – University of Applied Sciences

www.htw-dresden.de/en | ✉ international@htw-dresden.de

The HTW Dresden is a regionally and internationally well-connected university with a strong practise-oriented approach to studies and research. Our main academic fields include engineering, informatics and management. Training our students to be successful young professionals is our key mission.

Fields of Study:

Civil Engineering, Mechanical Engineering, Electrical Engineering, Informatics/Mathematics, Business Administration, Agriculture/Environment/Chemistry, Spatial Information, Design

16:00 – 16:30

Professional Association German as a Foreign and Second Language (FaDaF e.V.)

www.uni-german.de/en | ✉ gate@fadaf.de

Learn German in Germany: The FaDaF Consortium consists of 8 language institutes offering high quality German courses and more. Get prepared for university and work in Germany through our intensive German courses, summer courses, technical language courses and German exams (DSH, TestDaF, telc).

Fields of Study:

Intensive German courses for university preparation, German summer courses, Technical German courses, German Examinations (TestDaF / DSH / telc), Pre-study programmes

16:30 – 17:00

Frankfurt School of Finance & Management

www.frankfurt-school.de | ✉ j.rosenkranz@fs.de

Frankfurt School is AASB and EQUIS accredited and one of Europe’s leading business schools providing German excellence in management and finance education.

Fields of Study:

Finance, Management, Business

Online Presentations by German Institutions

Day 2

Wednesday, 5 December, 14:00 – 17:00 h CET
15:00 – 18:00 h EET
17:00 – 20:00 h GST

Register
here

Focus on Engineering

All times for Egypt, Jordan, Lebanon and Palestinian Territories + 1 hour, all times for UAE + 3 hour

14:00 – 14:30 DAAD – Interactive Expert Talk on ‘How does a German degree support my career?’

After a brief overview of information sources on studying in Germany and scholarships, alumni will share their experience on career prospects linked to a degree from Germany (e.g. working in Germany, value of a German degree in the Arab countries). You are invited to ask questions.

14:30 – 15:00 University Alliance Ruhr

www.uaruhr.org | ✉ office@uaruhr.org

The University Alliance Ruhr (UA Ruhr) is a union of 3 universities in Bochum (RUB), Dortmund (TUDO) and Duisburg/Essen (UDE). With over 115,000 students and over 17,000 faculty & staff, the UA Ruhr represents one of the largest research locations in Germany. Innovation and partnership are guiding principles for the Ruhr area’s transition from coal and steel to Germany’s most cutting-edge science region. As a driving force behind this transformation, the UA Ruhr embodies this regional spirit through excellence in research and collaboration with renowned partners to shape its new identity as Germany’s biggest academic hub with a global reach.

Fields of Study: Engineering, Economics, Biochemistry, Religious Studies, Urban Studies, Educational Research, Neuroscience, Journalism, Materials Chains

15:00 – 15:30 RWTH Aachen University

www.rwth-aachen.de/international | ✉ int-zugang@rwth-aachen.de

As a German University of Excellence, RWTH Aachen produces top-skilled graduates for the global job market. Teaching at RWTH Aachen is first and foremost application-oriented thanks to close collaborations with leading German industrial sectors. More than 21% of our students are international.

Fields of Study: Mathematics, Computer Science, Natural Science, Architecture, Civil Engineering, Mechanical Engineering, Georessources, Materials Engineering, Electrical Engineering, Information Technology, Arts and Humanities, Business and Economics, Medicine

15:30 – 16:00 Offenburg University – Graduate School

www.hs-offenburg.de/graduate-school | ✉ gs@hs-offenburg.de

Study in English - Live in Germany! International Master’s Programs at Offenburg University of Applied Sciences: M.Sc. in Biotechnology, M.Sc. in Communication and Media Engineering, M.Sc. in Power and Data Engineering, M.Sc. in Process Engineering, MBA in International Business Consulting

Fields of Study: International Business Consulting (MBA), Biotechnology (M.Sc.), Communication and Media Engineering (M.Sc.), Power and Data Engineering (M.Sc.), Process Engineering (M.Sc.)

16:00 – 16:30 Hochschule Esslingen – University of Applied Sciences

www.hs-esslingen.de | ✉ Ute.Brinkmann@hs-esslingen.de

Esslingen is a medieval city close to Stuttgart’s industrial centre, a region full of big names like Bosch, EY, Daimler and Porsche. Many students stay in this one-of-a-kind business cluster to work in the industry: our Graduate School students are the business and engineering managers of tomorrow.

Fields of Study: Management, Industrial Management, Automotive Engineering, Mechanical Engineering, Mechatronics

16:30 – 17:00 TestDaF and TestAS: official admission tests for your studies in Germany

www.testdaf.de | ✉ kontakt@testdaf.de

TestDaF is the official German language test for study admission, recognised by all German universities.

Fields of Study: Test German as a foreign language: TestDaF/www.testdaf.de,
TestDaF prep course: www.deutsch-uni.com/testdaftraining, Aptitude test for study admission: TestAS/www.testas.de/en

Study in Germany

German higher education institutions enjoy an excellent reputation all over the world. German degrees carry great prestige while teaching and research provide impulses for innovation and progress. Many universities cooperate with industry companies to ensure you benefit from a practise-oriented education that is relevant for the labour market.

More than 400 public higher education institutions offer in total 19,213 degree programmes, including more than 1,900 international degree programmes conducted entirely or partly in English. Germany's higher education landscape offers you great choices! For comprehensive information on studying in Germany see www.study-in.de/en

Webinar Series "Study in Germany"

The webinar series consists in online presentations by 10 German universities and educational institutions followed by Q&A-sessions. A headset is needed. You can ask questions via chat. The webinar series addresses audiences in North Africa and Middle-East Asia.

The webinars are conducted in English. Each day is introduced by an interactive expert talk preceded by a short presentation on studying in Germany and funding opportunities. After registration you are eligible to take part in all webinars of the series. You can join the webinars any time.

DAAD in North Africa and Middle-East Asia

The German Academic Exchange Service (DAAD) is a non-profit, state funded organization that promotes academic exchange and cooperation between Germany and other countries mainly through providing information and funding.

The DAAD has offices in Jordan, Egypt, Lebanon, Palestinian Territories and Tunisia that provide information on study and research in Germany.
